

# OVEN

There is nothing quite like preparing the meal of the day with a fine oven. Our collection ranges from 34 L to 65 L, including a built-in gas oven that is the only one you can find on the market. Mia Cucina gives you the flexibility to choose the perfect fit for your space and cooking requirements. Designed to match with other Mia Cucina appliances, our versatile ovens give you the freedom to explore more culinary options and delight the whole family with new taste sensations.

# MICROWAVE COMBINATION OVEN

## QUICK AND EASY

With up to 1500 W grill power and 1000 W microwave power, the oven enables quick and easy food preparation.

## MULTIFUNCTION COOKING

If you are looking for versatility, look no further than Mia Cucina's Italian Microwave Combination Oven with its convenient and intuitive touch control. It brings together the advantages of a traditional oven and the practicality of a microwave (grill + microwave) oven, giving you the flexibility to cook all of your favourite dishes to perfection.

The oven features three integrated settings in one — defrosting, grilling and microwave — with 9 cooking functions and a temperature of up to 230°C.
